

# WESTIN PACKAGED MEATS

## Important Milestones in Bacon History

The future of bacon has changed...  
**Premium Performance Bacon:  
Taste, Performance & Speed**  
brought to you by Westin Packaged Meats

Bacon is one of the oldest processed meats - as early as 1500 B.C., the Chinese began salting their pork.

1500 B.C.

In 1770, the first large bacon curing plant opened.

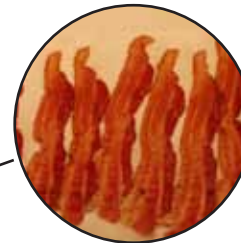

1770

In 1924, the world was introduced to the first packaged, sliced bacon for which a patent was granted.

1924

In 1970, Fully Cooked Bacon was developed.

1970

2010
